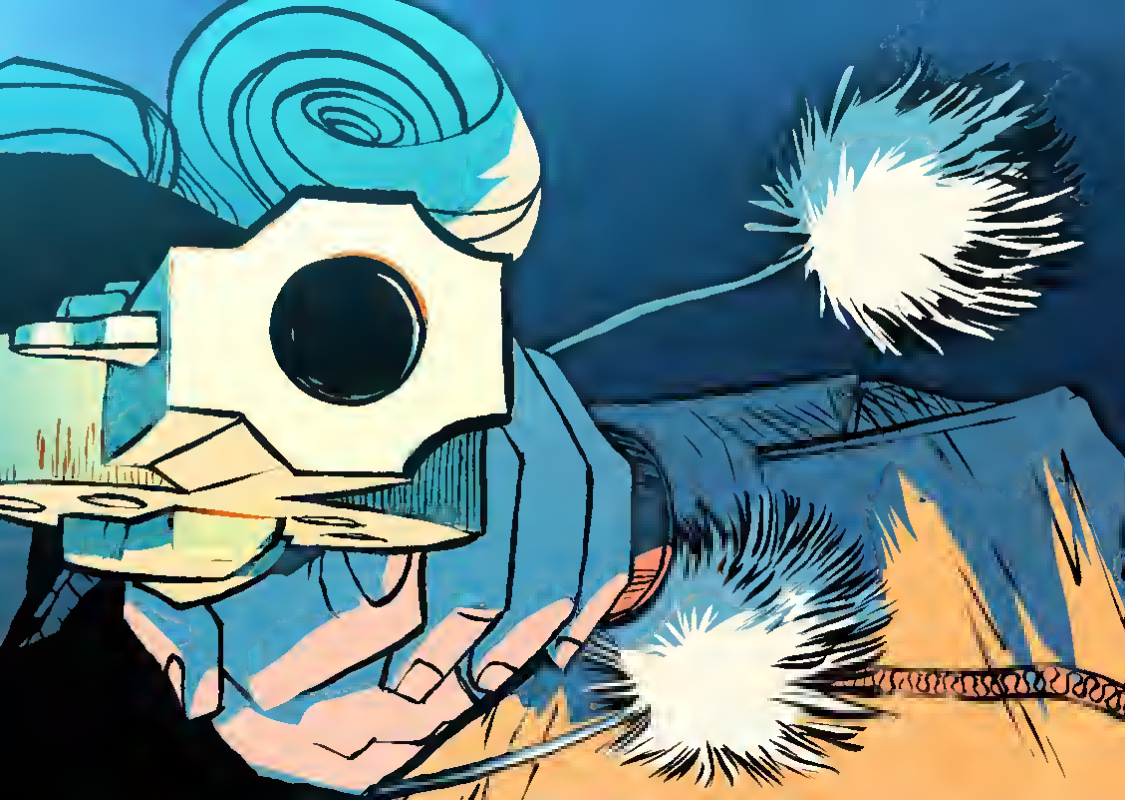
I hope this is enough gas...

"You lied to me."



"You know the people who took my DAD!"

Vonna, put that gun down -- you don't know what it can do.

"Tell me the truth!"

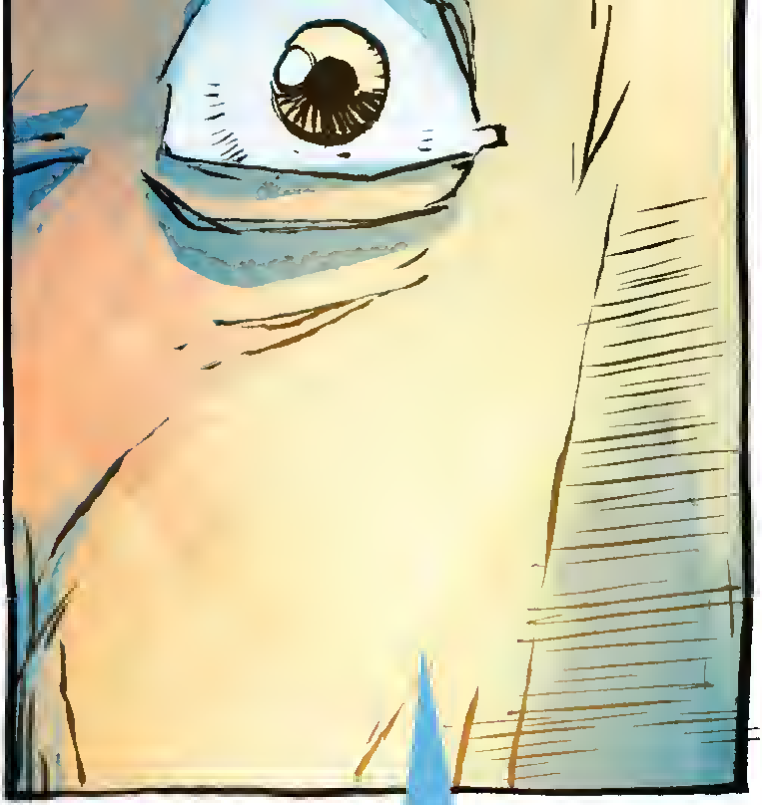
Please -- if the Graft Progressors took your father, it's too late for him.

I'm sorry.
There's NOTHING we can do.

"You're one of these Graft Progressors, aren't you?!"

Tell me
where they
took
my DAD!!!

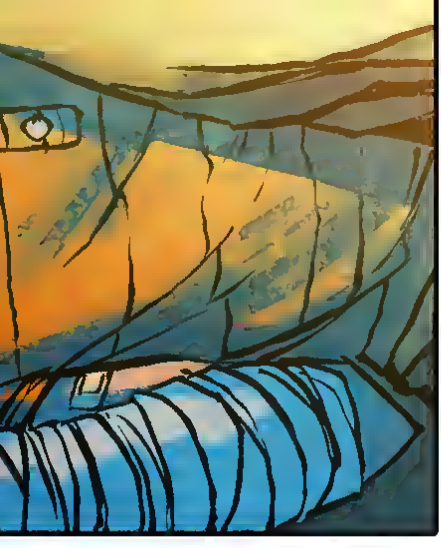
Light City.



They took
him to Light City,
okay?

Light City?
You have to take me there.

All the way across the sand?
There's no way -- it's impossible!



NO!
